\*Post refurbishment rentals

Parking available - up to 4 bays per 100m<sup>2</sup> - Contact for more information

### About the building:

The Box has seen a tremendous amount of change in the recent months, the ground floor refurbishment is nearing completion and SALT at The Box, an exciting new food and beverage offering is open and trading. The food offerings include breakfast, lunch and dinner options including a bar. Each floor plate is unique to many other offerings in the CBD as it has no internal columns, and **the building does not experience loadshedding** allowing for efficient fit-outs and uninterrupted operations.
